60 Softgels | नारते से पहले गुनगुने पानी के साथ 2 सॉफ्टजेल लें। | MRP - 1099/-

Gas Go

Gas Go is made from natural herbal ingredients such as aloe vera, dry ginger, black pepper, mint, lemon extract and babool. These digestive tablets help relieve issues like constipation, stomach pain, acidity and indigestion. They strengthen the digestive system and improve nutrient absorption. Regular use helps reduce gas formation and keeps the stomach feeling light, promoting comfort and freshness throughout the day. It may also help stimulate appetite and activate the digestive process.

60 Tablets | 1-2 टैबलेट, दिन में दो या तीन बार लें। | MRP - 279/-

Cough Syrup

Cough syrup is an effective herbal formulation designed to provide relief from cough and throat-related problems. It may help soothe both dry and productive cough, reduce throat irritation and provide comfort to the throat. The herbal ingredients help loosen and expel mucus, making breathing easier. Its use can help reduce throat inflammation and support the respiratory system. It may also be beneficial in protecting against cough and cold during seasonal changes.

100ml | 10-20 मि.ली., दिन में दो बार। | MRP - 68/-

D Zyme Syrup

D-ZYME is an ideal remedy for gas and hyperacidity. It helps relieve problems such as constipation, stomach pain, acidity and indigestion. Regular use may also provide relief from headaches and loss of appetite. It works by enhancing the activity of digestive enzymes, thereby strengthening the digestive system. Additionally, it may help with issues like low hemoglobin levels and hiccups, while supporting better digestion and improved absorption of nutrients.

200ml | 10-20 मि.ली., दिन में दो बार। | MRP - 275/-

F Tonic Syrup

F Tonic is an effective herbal formulation designed to support women's overall health. It contains shatavari, ashoka, lodhra and other women's health-supporting herbs that are believed to help maintain hormonal balance and support reproductive health. It may assist in managing hormonal balance in conditions like PCOD and PCOS. Regular use can help relieve menstrual discomfort, weakness and fatigue, while providing inner strength and vitality to the body.

200ml | 10-20 मि.ली., दिन में दो बार। | MRP - 275/-

Livce DS Syrup

It is an excellent remedy for liver health. It helps improve appetite and digestion. It also supports the repair of liver damage and helps restore the normal liver architecture. In addition, it stimulates the secretion of gastrointestinal hormones and enzymes, which improves overall digestion and liver function. It is also helpful in managing fatty liver conditions. Its double-strength formula is considered effective in delivering fast and impactful results.

200ml | 10-20 मि.ली., दिन में दो बार। | MRP - 275/-

S Joint Care Syrup

Joint Care Syrup is an effective herbal formulation prepared for the care of joints and bones. It may help reduce inflammation, pain and stiffness in the joints. The herbal ingredients present help improve blood circulation and deliver proper nourishment to the joints. Regular use helps maintain flexibility while walking and moving, strengthens bones and makes daily activities more comfortable. It provides beneficial herbal support for overall orthopedic health.

200ml | 10-20 मि.ली., दिन में दो बार। | MRP - 320/-

Cal Mag D3 + K2 with Probiotics

Cal Mag D3 + K2 is a powerful mineral formulation designed to support strong bones and teeth. It may help improve calcium absorption, support muscle function and maintain joint health. Regular use provides internal bone strength and essential nutritional support to the body. It also helps ensure proper utilization and balance of calcium in the body while supporting bone density.

100 Tablets | 1-2 टैबलेट, दिन में दो बार, खाने के बाद लें। | MRP - 450/-

Advance Green Tea

It supports weight management and helps protect the body from infections, cough and cold while boosting immunity and acting as a natural detoxifier. Enriched with green tea, Garcinia Cambogia, grape seed, coffee beans, cinnamon, black pepper, dry ginger, tulsi and lemon extracts, it helps enhance metabolism, promote fat burning, control appetite, improve digestion, reduce inflammation and support better skin and heart health, helping you feel lighter, fresher and more energetic with regular use.

60 Tablets | 1 टैबलेट, 30 सेकंड के लिए गरम पानी में, दिन में 2 बार। | MRP - 795/-

D Cal Syrup

This is a unique formula combining calcium and ashwagandha to help keep bones strong and the mind sharp. It may help reduce the risk of osteoporosis and fractures while supporting healthy teeth and jaw bones. Vitamin D3 aids in the absorption of calcium into the bones and also supports blood clotting, hormone release and energy production in the body. Additionally, ashwagandha may help reduce stress and fatigue.

200ml | 10-20 मि.ली., दिन में दो बार। | MRP - 275/-

Ducof Syrup

It is highly beneficial for people suffering from chronic bronchitis and asthma. It helps strengthen the respiratory system from within and supports lung health, making breathing easier. It reduces excess mucus formation in the airways and facilitates the expulsion of mucus, providing relief from chest congestion and cough. Regular use soothes the throat and supports overall respiratory comfort.

200ml | 10-20 मि.ली., दिन में दो बार। | MRP - 320/-

Grovit Syrup

Grovit Plus Syrup promotes the production of red blood cells and improves hemoglobin formation. It supports brain health and proper muscle function, helps address iron and folic acid deficiencies and keeps you energized throughout the day. The zinc present in it enhances iron absorption, providing greater benefits to the body. It also helps relieve weakness and fatigue.

200ml | 10-20 मि.ली., दिन में दो बार। | MRP - 275/-

S Crush Syrup

It helps simplify urinary-related complications. It may assist in dissolving kidney stones and reducing burning and irritation during urination. It improves kidney function, increases urine flow, and helps detoxify the body. With regular use, it helps keep the kidneys and urinary tract healthy and provides relief from urinary discomfort. It may also help reduce the chances of stone recurrence.

500ml | 10-20 मि.ली., दिन में दो बार। | MRP - 565/-

Skin Care Syrup

Skin Care Syrup is a potent herbal formulation designed to promote healthy, glowing skin from within. It helps nourish the skin, improve complexion and reduce issues like dryness, dullness and pigmentation. Enriched with natural herbs and antioxidants, it supports detoxification, enhances collagen production and strengthens the skin's natural barrier. Regular use may help reduce acne, blemishes and skin inflammation, leaving the skin soft, radiant and refreshed.

200ml | 10-20 मि.ली., दिन में दो बार। | MRP - 320/-
